These letters must be uploaded on the application either by the candidate or by the writers

Candidates are admitted to the selection procedure with reserve.

At any time, even after participation in any tests, the Administration may, with justification, exclude them from the selection procedure. The concerned candidate will be notified of such exclusion.

Art. 4 - Comparative assessment of the candidates and the Evaluation Board

The candidates will be assessed comparatively by an Evaluation Board appointed by the Board of the Structure, and formed by the following members:

Prof.ssa Marcella Brusa, Professore Associato del SSD FIS/05, Università di Bologna, Prof. David M. Alexander, Durham University (UK), Dr. Antonis Georgakakis, National Observatory of Athens (Greece)
Substitute member: Prof. Francesco Shankar, University of Southampton (UK)

The selection procedure focuses on the examination of the selection criteria laid down in advance by the evaluation board, the candidates' scientific-professional curriculum containing also the scientific work and publications as well as an interview, aiming to verify the suitability of the candidate for carrying out the research programme.

During the interview, the Board will also verify the candidates' knowledge of the foreign language(s) English on relevant sectoral topics.

The list of candidates admitted to interview will be published on the following notice board:
DIPARTIMENTO DI FISICA E ASTRONOMIA , Via Gobetti 93/2, city BOLOGNA, on (date) Friday, April 24, 2020.

The list of candidates admitted to interview will be also published on the site calls, tenders and competitions <https://bandi.unibo.it/ricerca/assegni-ricerca>.

For information contact the phone number 0512095305(from 9 am to 12 am).

For any info regarding the research project, the research activity and scientific-curricular competences please direct queries to marcella.brusa3@unibo.it

The interview will take place before Sunday, May 31, 2020 at DIPARTIMENTO DI FISICA E ASTRONOMIA, Via Gobetti 93/2 BOLOGNA.

To be admitted for interview, the candidates must present a valid ID document.

With the approval of the Board, candidates may sit the interview on-line, via a Skype audio and video teleconference.

Candidates must explicitly request the use of such method in their application, providing their Skype contact and ensuring that the workstation from which they will sit the interview is equipped with a webcam - which is indispensable for the recognition of the candidate - as well as a microphone and earphones/speakers. For this purpose, candidates admitted to the interview are invited to contact the Board promptly at the following e-mail address: marcella.brusa3@unibo.it

At the start of the on-line interview, the candidates must exhibit to the Board the same ID document submitted with their application.

Remote interviews will be held on the same day as the interviews held in person, in the order and at the times established by the Board

The on-line interviews are public and may be watched by the audience at the interview site set up for this purpose.

At the end of the selection procedure, the Board will draw up a list of candidates with relative scores, for a period of 6 months .

If two candidates receive the same scores, preference will be given to the younger candidate.

The Head of the Structure shall confirm in writing his/her approval of the list drawn up by the Board which will be published on <https://bandi.unibo.it/ricerca/assegni-ricerca>.

The list of candidates may be used to award other research contracts within the same research project, also of a lesser duration than that indicated in the call for applications and in any case no less than one year.

Art. 5 - Duration and amount of the contract

The contract has a duration of 36 months starting 01/11/2020 and anyway not lasting later than 28/02/2024. The maximum total amount of the research fellowship contract is € 162.499,7 per three years, entirely financed by REA; this amount has been calculated following MSCA guidelines defining compensation (cost month/person) to the researcher in the Project; in particular, the amount descends from the sum of the following allowances:

1. Living allowance = € 3.413,88x 36 months = € 122.899,68
2. Mobility allowance = € 600 x 36 months = € 21.600,00
3. Family allowance = € 500 x 36 months = € 18.000,00

The gross amount is € 39.217,20 per annum. This amount has been calculated following MSCA guidelines defining compensation (cost month/person) to the researcher in the Project. The gross amount may be raised 44.102,40 € if the winner possess the requirements to benefit the “Family allowance” as foreseen by the Grant Agreement and MSCA guidelines. The amount is exempt of withholding tax and includes all statutory social security charges the Research Fellow is subject to. The amount will be paid in deferred monthly payments.

The Research Fellow is provided with accident insurance, against payment of the required contribution which will be withheld from the first monthly instalment.

Art. 6 – Contract signature

The winning candidate will be invited to sign a research contract with the Structure within Thursday, December 31, 2020.

The non-acceptance within the deadline notified by the structure shall lead to the forfeiture of the right to sign the contract.

Art. 7 - Rights and Duties

The contract is governed by the following regulations concerning leave: for obligatory maternity leave, the provisions laid down in the Decree of the Ministry of Labour and Social Welfare of 12 July 2007, published in the Official Journal no. 247 of 23 October 2007, and, for sick leave, article 1, paragraph 788, of Italian law no. 296 of 27 December 2006 and amendments.

The research activities are carried out under the supervision of the tutor, in a non-subordinate relationship with no fixed working hours. The research fellow shall personally carry out the required activities laid down in the Activity Programme without any substitution. The Fellow undertakes to work exclusively on the research programme and not to receive compensation other than that provided by the Department (or by other entities identified in the Grant Agreement) for activities carried out within the framework of the research programme.

Upon the conclusion of the activity, the Fellow shall present to the Department's Board a detailed final report on the activity carried out, the results achieved and the scientific publications, accompanied by an opinion by the tutor, and shall complete and submit the questionnaires provided by the Agency (REA) according to the terms and conditions set out in the Grant Agreement. In addition, the Fellow must submit one or more interim reports to the tutor according to the conditions set out in the Grant Agreement. According to the conditions set out in the Grant Agreement, and following verification of compatibility with the funding programme's rules, the Fellow may conduct additional research abroad on one or more occasions, according to a schedule to be defined with the affiliation structure and with the costs to be borne by the department, without eligibility for specific incentives without prejudice to the possibility to obtain specific funding.

The University agrees to apply the statutes governing maternity, accidents and illness.

On the University's Web page, the Fellow undertakes to publish his or her curriculum vitae, the information about the performance of assignments and/or private positions filled with government oversight or funding or the performance of other professional activities, in accordance with the obligations established by Presidential Decree No. 33/2013.

The Fellow undertakes to discharge the conduct obligations set out in the Code of Ethics and Conduct, issued pursuant to Law No. 240/2010 and implementing Presidential Decree No. 62/2013, to the extent compatible.

Art. 8 - Regulations concerning Intellectual Property

Industrial Property rights over the results achieved by the Research Fellow in the execution of activities undertaken on behalf of the University, including but not limited to industrial inventions, models, drawings, plant varieties, as well as the intellectual and industrial property rights deriving from the production of software or databases (“Results”), belong exclusively to the University, which may freely use them also within agreements made by the departments with third parties, without prejudice to the moral rights of the Research Fellow who shall be acknowledged as the author or inventor.

The Fellow shall be entitled to publish the results of his or her research activity in accordance with the obligations established by the Grant Agreement and all associated agreements, unless such publication jeopardises the University's right to protect the results.

The Fellow is required to ensure the visibility of European Marie Skłodowska-Curie funding in his or her publications, communications and applications for the protections of results, as provided for in the Grant Agreement.

The Fellow is required to inform the tutor without delay of the achievement of results, and the tutor shall be responsible for verifying whether there has been any prejudice.

To this end, the Fellow shall sign a specific confidentiality undertaking appended to this contract, of which it is an integral part (Annex 2).

Art. 9 - Non-accumulation, incompatibility, leave

The Fellow undertakes to abide by the situations of incompatibility or ban on cumulative positions pursuant to the law and the University Rules on Research Fellowships (416 of 19.4.2011) and the Grant Agreement.

1. The position of research fellow is incompatible with the following positions:

a) fixed-term and full-time staff employed by the bodies listed in art. 22 para. 1 of Italian Law no. 240/2010;

b) persons employed by any private bodies, on a fixed term, permanent or part-time basis; For staff of any Public Administration other than those listed in letter a) refer to the provisions of point 2 below;

c) persons with fixed-term research contracts with any university;

d) adjunct professors with official teaching responsibilities in degree programmes or specialisation schools in any university;

e) persons enrolled in any first, second or single cycle degree programmes, PhD programmes with scholarships or specialisation school. Self-funded research contracts are compatible with enrolments in non-medical specialisation schools, for which no study grant or contract is foreseen or master's degree only where authorised in advance by the structure Director, and having sought the opinion of the tutor.

f) persons awarded research fellowships at any other body.

2. Employees of public administrations other than those listed in point a) with a fixed-term, permanent or part-time contract shall take unpaid leave of absence for the whole period of the research contract.

3. Freelance professional activities are compatible with the research fellowship contract where authorised in advance by the Board of the structure, with the motivated opinion of the tutor and having verified that the activities in addition to the research fellowship do not prejudice the regular execution of the contract.

4. The accumulation of the research fellowship contract with study grants awarded for any purpose is not permitted, with the exception of those granted by national or foreign institutions for the purposes of integrating the research activities with study periods abroad.

5. The above requirements must be possessed from the moment of entry into force of the contract. The winning candidate shall sign a specific affidavit undertaking to notify the department of any variations in the declared situations as soon as they occur.

Art. 10 – Forfeiture

Any candidate who within the deadline notified by the structure does not sign the contract, unless for promptly and duly demonstrated reasons of health or force majeure, shall forfeit the right to sign the contract.

Art. 11 - Reference norms

For any matters not laid down in this call for applications, refer to the Regulation on Research Fellows issued by the University of Bologna by Rectoral Decree no. 416 dated 19.04.2011 and to regulations set by the program Horizon 2020 Azioni Marie Skłodowska-Curie, Innovative Training Networks H2020-MSCA-ITN-2019 – withing the Project “Big Data applications for Black hole Evolution STudies - BID4BEST” (Marie Skłodowska- Curie Actions Innovative Training Networks H2020- MSCA-ITN-2019), Grant Agreement 860744.

The personal data provided by the candidates in their applications, pursuant to General Data Protection Regulation- Regulation (EU) 2016/679, shall be processed for the purposes of managing the selection procedure and the contract.
